IBRAHIM TOLGAR SASMAZ

Head of Digital & CRM | E-Commerce & Growth | AI, Analytics & Transformation

Munich, Germany · tolgar@sasmaz.digital +4915511486576 ·LinkedIn: ibrahim-tolgar-sasmaz ·Web: sasmaz.digital

SUMMARY

- AI-driven Digital, eCommerce, CRM and Performance Marketing Leader with 12+ years of experience across regulated healthcare, enterprise SaaS marketing automation platforms, FMCG and fashion. Proven track record of building and scaling full-funnel growth engines integrating paid media, digital campaign management, product-led growth and advanced data analytics.
- Delivered +35% e-commerce sell-out growth and +14pp contribution margin uplift by optimizing LTV/CAC ratios, improving ROAS, implementing data-driven attribution models and reallocating media investment through AI-powered budget allocation frameworks. Reduced OPEX by 15–18% while improving capital efficiency through ROI-based CAPEX prioritization and commercial performance governance.
- Expertise across paid acquisition (Meta, Google, Programmatic, Retail Media, CTV, DOOH), conversion rate optimization (CRO), lifecycle marketing, retention strategy and marketing automation. Strong background in KPI architecture, forecasting, budget planning, cross-functional digital transformation and executive stakeholder management across multi-market environments.

PROFESSIONAL EXPERIENCE

Head of Digital – NAOS Deutschland (BIODERMA) – FMCG; Personal Care

Munich, Germany | 04/2024 – Present

- Own end-to-end digital, data, analytics and AI agenda for the German market, acting as strategic partner to Marketing, Sales, Medical and Commercial leadership teams.
- Define and govern digital budgeting, KPI frameworks and performance targets across brand websites, D2C platforms, marketplaces and paid media channels.
- Delivered +35% e-commerce sell-out growth through analytics-driven performance marketing optimisation, category-based marketplace execution and ROI-focused budget allocation.
- Built AI-powered forecasting and scenario planning dashboards to support commercial planning, demand prediction and executive decision-making.
- Developed AI-driven pricing intelligence dashboards, including pricing compliance, competitor benchmarking and product-level margin analysis, supporting negotiations with retail and e-retail partners.
- Designed and launched an AI-enabled sales visit planning and reporting application using CLV-based segmentation to prioritize accounts, optimize visit frequency and improve sales effectiveness.
- Implemented a GenAI-powered chatbot integrated with the enterprise PIM system, enabling scalable product intelligence, content access and self-service decision support.
- Established cross-functional workflow automation between Marketing, Sales and Medical teams using Power Apps and Power Automate, increasing operational efficiency and execution consistency.
- Act as central digital transformation lead for Germany, aligning local execution with global NAOS strategy and platform standards.

Digital Marketing & CRM Manager – NAOS Türkiye (BIODERMA, Institut Esthederm, Etat Pur) – FMCG

Istanbul, Turkey | 04/2022 – 04/2024

- Owned digital marketing, CRM and customer engagement strategy across multiple brands, restructuring the organization and defining a data-driven operating model.
- Scaled Digital Marketing & CRM organization to 10 team members, establishing governance, performance KPIs and execution rhythm.
- Governed digital and CRM budget, performance tracking and optimization, delivering +20% user acquisition growth and +15% increase in online interactions.
- Designed and implemented advanced audience segmentation, lifecycle journeys and CLV measurement frameworks to support prioritization and long-term value growth.
- Launched and scaled integrated digital ecosystems (brand websites, D2C platforms, mobile applications) by leading digital transformation and centralizing data flows and analytics.
- Collaborated with product teams to convert analytics insights into growth strategies and campaign execution.

Digital Marketing Manager – NAOS Türkiye (BIODERMA, Institut Esthederm, Etat Pur) – FMCG; Personal Care
Istanbul, Turkey | 03/2021 – 04/2022

- Built the Digital Marketing function from scratch, defining roles, responsibilities and operating model.
- Recruited and managed a 6-person digital marketing team, driving performance culture and accountability.
- Owned performance marketing, paid media and e-commerce growth agenda, managing full-funnel execution.
- Introduced segmentation-led targeting and LTV/CLV-oriented measurement foundations, improving campaign efficiency and ROI.
- Partnered with internal stakeholders to align digital investments with commercial priorities.

Digital Marketing Manager – D&R; idefix – Retail; Culture & Hobby
Istanbul, Turkey | 01/2020 – 03/2021

- Owned digital media and CRM P&L, campaign planning, experimentation, optimization and digitalization across acquisition and retention channels.
- Led 2 FTE managing performance marketing in Google Ads and paid social ads in Facebook/Instagram Ads, SEO/SEM, mobile app and CRM initiatives.
- Received “Best Integrated Campaign” in Felis Award 2019, MIXX Awards 2020 and “Data Analytics” in Social Media Awards 2020
- Designed and built advanced segmentation and LTV-informed targeting models to improve conversion and revenue.
- Collaborated with HR, merchandising, IT and product category departments to improve profitability by optimizing OPEX and improving contribution margin.

Digital Marketing Specialist – D&R; idefix – Retail; Culture & Hobby
Istanbul, Turkey | 05/2017 – 01/2020

- Executed and orchestrated omnichannel digital and automated CRM campaigns by creating personalized contents in retention channels such as e-mail, SMS, on-site and in-app banners, web and mobile push notifications.
- Optimized landing pages based on SEO standards.
- Merged online and offline data and segmented personas based on visit and purchase behaviors to deliver personalized messages in CRM marketing automation scenarios such as win-back, cart abandonment, retention, engagement and loyalty resulted in +98% conversion rate.
- Generated a total ROI of 600% with RMC's AI-powered personalized and bulk push solutions, and a 288% ROI with web push notifications.
- Supported online sales growth initiatives, with a strong focus on mobile and retargeting strategies.
- Conducted performance analysis, reporting and optimizations.

Account Manager – 8digits – MarTech SaaS Platform; Personalization & CRO
Istanbul, Turkey | 05/2016 – 05/2017

- Acted as strategic digital analytics & CRO consultant for enterprise & mid-market clients using the 8digits SaaS
- Owned client account management, aligning analytics and optimization initiatives with business objectives.
- Designed and implemented CRO scenarios, funnel diagnostics and on-site behavioral analysis.
- Delivered segmentation-based insights to improve marketing effectiveness and decision-making.
- Conducted project management by prioritizing client’s needs, planning sprints and coordinating clients and IT departments using project management platforms such as Jira, Asana.

Client Manager – Emarsys SAP Marketing Cloud – MarTech SaaS Platform; Marketing Automation
Istanbul, Turkey | 01/2015 – 05/2016

- Served as primary point of contact for customer support regarding CRM and marketing automation solutions.
- Designed CRM touchpoints and marketing automation strategies across lifecycle journeys and trigger-based campaign scenarios -churn, win back, lead-to-customer, cart abandonment.
- Provided technical and strategic consultancy to improve retention, engagement and lifecycle value.
- Supported clients in best-practice platform usage, contributing to long-term customer success and expansion.

CRM & Email Marketing Specialist – Lidyana – E-Commerce Marketplace; Fashion and Accessories
Istanbul, Turkey | 03/2014 – 01/2015

- Built customer segmentation and personalization automations for lifecycle and promotional campaigns.
- Executed A/B tests, email campaigns & analysis to enhance engagement and repeat purchase rates.
